

## ITINERARY PREPARED FOR PILI PIPA DHOW EXCURSION

### A glimpse into another world

### FULL DAY SNORKELLING EXCURSION TO KISITE MARINE NATIONAL PARK – HOME OF THE DOLPHINS - WITH LUNCH

#### ALL INCLUSIVE

The 28sq. km Kisite-Mpunguti Marine Park has the best reef in Kenya in terms of species diversity, coral quality and reef build-up. The warm, pristine waters are host to dramatic coral formations, dolphins, turtles, sting rays, moray eels and a bewildering variety of sea life that comprise a unique eco-system that could be referred to as a garden under the sea. Come with us for a day trip on the Pili PIPA in and around Kisite, home of the dolphins. Run by Selina and Harm who are Marine Biologist and PADI Diving Instructors, we take limited numbers to offer you a more personal service. Even weak and non-swimmers have had the confidence to enter the water with us and taken home unforgettable memories.
